WELCOME TO TDMS

We are proud to be a community orientated school where we strive to nurture ambition, commitment, creativity, and integrity in every student to enable them to reach their highest potential.

Our main priority is to ensure that our students have the best opportunity for success and the highest possible aspirations for the future. We aspire to provide the highest quality education for every member of the TDMS family, regardless of ability or background.

TDMS is fortunate to be part of The Four Stones Multi-Academy Trust (MAT) with an approach built upon solid cornerstones of high expectations, a rich and coherent curriculum, and simply delivering the best teaching we can.

Our 'warm-strict' culture means that we challenge and support students in a predictable and structured way. Like any good family or team, it is believing in them enough to never lower our expectations of them. We expect our students to be punctual, to wear their uniform with pride, to be polite, kind, and understanding, and to come to school every day ready to learn. It is about equipping them with the tools, habits, and integrity that will enable them to keep succeeding long after they have left school.

Our curriculum across The Four Stones Multi-Academy Trust (MAT) is designed to be responsive to the needs of all its learners and equip each student for progression and success from one Key Stage to the next. We are proud that our curriculum and teaching is informed by the very best in international and national educational research. We endeavour to foster curious, inquisitive minds and our vibrant personal development and extra-curricular programme, that ranges from after school clubs to international trips, gives our students the cultural literacy that provides a solid foundation for a successful future.

Our comprehensive approach to knowledge building is underpinned by the quality and commitment of our teachers. The Four Stones Multi-Academy Trust (MAT) staff are at the cutting edge of educational thinking and practice and work to a teaching framework that creates and supports the very best conditions for quality learning experiences.

OUR VALUES

AMBITION

We are unashamedly ambitious for ourselves and our students, always striving to provide access to opportunities within the classroom and beyond. By setting high expectations and standards, the Four Stones MAT strives to achieve excellence in everything we do.

COMMITMENT

We are committed to being the best we can be by cultivating our knowledge, skills, and attitudes to constantly improve. We are committed to delivering on expectations, going the extra mile, and giving 100% in all that we do.

CREATIVITY

Knowledge and literacy make creativity possible. Our schools cultivate creativity by providing the broad base of academic knowledge students need ask new questions, explore alternate explanations, and to change their perceptions, values, and understanding.

INTEGRITY

We nurture our students so that they become young adults of principle and character, and who support each other in their quest for excellence. That means treating others with respect and honesty, taking care of our environment, and utilising our knowledge and understanding wisely.

MESSAGE FROM OUR HEADTEACHER

At TDMS we are ambitious and welcoming; our aim is to deliver excellence in all areas beginning with high quality teaching and exceptional pastoral care. We both support and challenge every child from Year 6 to Year 13 to leave our school with strong academic qualifications, a varied collection of extra-curricular experiences and clear values that will steer them through to long term success.

'The TDMS Way' encapsulates our shared values of Ambition, Commitment, Creativity, and Integrity and asks that everyone in our school community – both staff and students – show us their best. This means being ambitious in their thinking, resilient in the classroom, hardworking in all tasks and gritty in the face of everyday challenge. Exceptional pastoral support, coupled with the perseverance to succeed, means that every student will develop into a well-rounded young person and achieve their potential.

In January 2021 we joined The Four Stones Multi Academy Trust. This partnership brings with it a multitude of benefits for both our students and our staff whilst also allowing us to maintain our individual ethos and distinctive features. We are proud to be part of The Four Stones Multi Academy Trust and as such have high expectations of both our students and staff and respect the traditional values of hard work, good manners, and self-discipline. We were pleased to welcome Ofsted in October 2023 and be recognised as Good. We are proud to have been finalists in the Worcestershire 'School of the Year' award for the last two academic years.

Learning is at the heart of everything we do but our educational offer is

not confined simply to the classroom. We pride ourselves on giving every student the opportunity to show us their best through a diverse range of enriching opportunities, activities and experiences which prepares and equips them to secure places at the very best universities, apprenticeships and employment.

We are confident that all of our students will achieve everything that they set their minds to. If you are looking for an environment that can offer your child the stability of an education from Year 6 to Year 13 which promotes personal development, hard work and success then TDMS is the place for you!

We look forward to welcoming you soon.

Anna Allen
Headteacher

"I have loved my first year at TDMS. I have been on lots of trips and made loads of new friends."

"Before I joined TDMS I really struggled with maths, but now it is one of my favourite subjects. My maths teacher just explains it so it is easy to understand."

"The school does much to build pupils' character." Ofsted, October 2023

"Pupils know that they are cared for. They feel safe and happy in school." Ofsted, October 2023
