

TDMS Revision and Practice (Homework) Timetables 2026-27

Year 6

W/C 14 September

- At the start of the third week of the autumn term, Year 6 students will receive weekly maths and English tasks, reading tasks and spellings to complete at home.
- Year 6 students are expected to complete 30 minutes of reading daily, five times per week.
- Year 6 students are expected to complete 30 minutes of maths per week. This will be set via Sparx and checked weekly.
- Year 6 students will be expected to complete 30 minutes of revision tasks from both their English and maths CGP SATs workbooks each week. Workbooks will be provided at the start of September to all students.
- Year 6 students will be set weekly spelling revision and tested each week in class.

Year 7

W/C 14 September

- At the start of the third week of the autumn term, Year 7 students will receive daily maths and reading tasks to complete at home.
- Year 7 students are expected to complete 20 minutes of reading daily, five times per week. This will be set via Sparx reader and checked weekly.
- Year 7 students are set 90 minutes of compulsory maths revision/homework on Sparx maths. This is complemented by additional tasks which students can complete on Sparx. We recommend students complete 20-30 minutes of maths daily, four times per week. This will be set by the Mathematics Department and checked weekly.
- Year 7 students are set 30 minutes per week of science and 45 minutes per week of English tasks.
- Year 7 will be set 15 minutes of revision/homework per week in French.
- Year 7 will be set 15 minutes of revision/homework per week in carousel subjects.
- Revision tasks will be focused on retrieval practice and are likely to be predominantly quizzing.
- If revision/homework is incomplete or not completed by the given deadline, this should be logged as a C2 Homework.
