

# THE DE MONTFORT SCHOOL EVESHAM

## Student Guide: Logging into Sparx Science

Welcome to Sparx Science! This quick guide will walk you through how to log in for the very first time to access and complete your homework. At The De Montfort School, you do not need a separate Sparx password. Instead, you will securely log in using your official school Microsoft account.

### Step 1: Visit the Sparx Science Website

- Open your web browser (Google Chrome, Microsoft Edge, or Safari).
- Go to the following web address: [science.sparx-learning.com](https://science.sparx-learning.com)

### Step 2: Select Your School

- In the 'Select your school' search bar, start typing **The De Montfort School**
- Click on **The De Montfort School (Evesham)** when it appears in the dropdown list, then click **Continue**.

## Step 3: Choose the Microsoft Login Option

- Instead of entering a username or password on the main Sparx page, look below the fields.
- Click the button that says **Log in to Sparx using Microsoft**.

### Step 4: Enter School Username and Password

- You will be redirected to the secure Microsoft Office 365 sign-in page.
- Enter your full school email address (your **school username** followed by **@tdms.worcs.sch.uk** or your designated school domain format).
- Click Next, and type in your regular **school computer password**.

### Step 5: Complete Your Homework

- Once logged in successfully, you will see your Sparx Dashboard.
- Click on your current active Science assignment to begin your homework modules.

### Top Troubleshooting Tips

- **Wrong School Error:** If the screen shows another school, click the 'Switch school' link and pick The De Montfort School.
- **Password Issues:** Because this uses Microsoft, if your password doesn't work, it means your school computer password needs resetting. Speak to your Science teacher or IT support at school.
